END OF SALE

A BUSINESS PROPOSITION

During the last few years we have been very liberal with the distribution of our special Price Lists, Coin Topics and Mail Bid Sale catalogues and find that many collectors have never responded to them. As it costs about \$3.00 a year to keep a name on our list, we now plan to simplify our mailing and have ascertained that the greater percentage of our clients and most active collectors already subscribe to our monthly magazine—THE COIN COLLECTOR'S JOURNAL. Therefore we greatly reduce our mailing costs and reach the same collectors by making the names of the JOURNAL subscribers our regular mailing list. Each month an Advertising Supplement listing various coins and collections for sale will be mailed with this magazine. If you wish to continue to receive special lists, catalogues and these supplements we suggest, that if you are not now a subscriber, you send in your subscription at once, and thereupon become entitled to all such literature for the coming year.

Most collectors are enthusiastic over the high type of numismatic information the JOURNAL contains, and we are sure you will find it a worth-while addition to your numismatic library. We would appreciate your subscription very much and feel that the price of \$1.00 a year is sufficiently low to enable any collector to receive this magazine and other lists if he so wishes. You may still start your subscription with the January 1941 issue if you subscribe at once, thus receiving a full year's issues. A convenient form is printed below for this purpose.
